Erica has always been one to try something different. She had her first lesbian experience at eighteen and has been loving women for more than thirty years. Her favorite thing to do is eat pussy because she likes the look and taste of it. Jessica loves sex and women, too. She says she started swinging with her ex, and that's where she had her first gay experience. If ever there was someone who fit the definition of a word, then MILF is definitely the one for these two beauties. When they first came together for the shoot, it was a non-stop

RIGHT PLACE, HOT TIME

I had gone to babysit for the Smiths on the wrong night. Instead of finding them at home, I accidentally walked in on Mr. Smith sitting in the family room, masturbating to a porn video. His wife and kids were out shopping and wouldn't be home until later.

"Would you like to touch it?" Mr. Smith asked, noting my wide-eyed astonishment as I stared at his erection. He sort of pushed it into my hand, and I held it lightly and squeezed it, feeling it swell and throb in my palm. It was way thicker than my boyfriend's and several inches longer. The head was bulging and reddish, and a gooey drop of pre-cum oozed from the tip.

He settled back on the sofa, and I sat next to him as if my right hand was attached to his cock. I'm a small girl, only five feet tall and 90 pounds, but I'm toned and healthy, and I could tell Mr. Smith appreciated my body by the way his hand started rubbing my leg. I was wearing loose gym shorts, so he was able to run his fingers right up under the material.

When his finger started probing at my cotton pant-

Do you like my titties?

Busty and beautiful Ava shows you her stuff in the last great issue 50+ #43. Being busty has some great advantages and Ava uses all of them to seduce her women and men. It's like catnip to a cat. Just toss them around a bit and they go crazy.

50+: *You have such beautiful figure. How do you stay in such great shape?*

Ava: *Well, I spend a good amount of time at the gym, but I think I get more exercise during sex! That's my little secret. At my age, you don't ask a woman that. I'm more comfortable telling you if my pussy is shaved or what kind of trim it has! But seriously, I like to have sex at least three to four times a week. That keeps all of me in good shape.*

ies, I felt a juicy flow of tingles deep in my pussy. I was already excited by the look and feel of his big, man-sized cock, and when his middle finger sluiced up my little hole, I moaned and spread my legs wider.

"Have you ever been fucked, Tara?" he asked, fingering my tight snatch.

"Of course!" I said, as if the question were silly. I made it sound like I was way experienced, but the fact was that I had only just done it for the first time with my boyfriend a few weeks back after my eighteenth birthday.

I stared at Mr. Smith's huge cock, stroking it up and down, unable to fit my fingers entirely around the bulging shaft. I couldn't help wondering if my tender little pussy could take such a monstrously huge organ, but the thought of it was like a challenge. "Would you like to fuck my tight pussy?" I asked.

He got this goofy grin, and the next thing I knew, he slipped off my shorts and panties and directed me to kneel on the couch with my butt stuck up in the air facing him.

"Oh, lord, that's fantastic," he said. I felt his big poker rubbing against my soft, rounded ass-cheeks.

It felt like he was sliding a rolling pin over my ass, it was so thick and long. He leaned into me, bunching his hands up under my T-shirt and feeling my small, firm little boobs. "Are you ready for me?"

"Yes," I sighed, rotating my ass back against his cock. I felt the fat head push against my opening. He grabbed my hips for balance and shunted the oozing tip forward.

"Oh, Mr. Smith," I gasped, clutching the throw pillows with both hands. "I think it's too big!"

"Just relax," he said in a smooth voice that took all my worry away. The pressure kept building, but a few seconds later, my pussy slowly started to fill with cockmeat. I could feel my tender walls expanding around him as he penetrated my narrow tunnel, riding into me steadily and firmly, helped along by my own wetness.

It felt like it would never stop gliding in, and the sensations that buzzed through my crotch flashed out to the rest of my body. Just when I felt like I couldn't take any more of him, his hairy balls mashed against my smooth ass-cheeks. I knew that my pussy contained every millimeter of his enormous prong.

"Shit! You're so fucking tight!" he grunted, holding himself still, allowing my little pussy time to adjust.

I never felt so packed and full in my life. It literally took my breath away. The only thing I could do

was make these little cooing sounds. He started to build up a slow rhythm that soon had me tossing my ass back at him with reckless abandon.

"Oh, yeah. Fuck me, Mr. Smith!" I cried out, amazed that I had not only adjusted to the massive intrusion, but had also responded by urging him to drive into me deeper and harder. I felt little jolts of lightning as he began to pound into me with renewed vigor.

"Yeah, baby, I'll fuck you good!" he said, plowing into me with full force.

His balls were slapping loudly against my butt as my pussy caught fire and started to spasm and squeeze his thrusting cock. I had never climaxed with a cock inside me, and it was the greatest feeling in the world, like an explosion of firecrackers in my hot pussy. He made me come at least three times, fucking me like some hard-driving machine, his cock so wet and slick

from my juices that it made a squeaky, sloppy sound with every stroke.

"Does your boyfriend fuck you like this?" he asked.

"Oh, god, no," I cried out as he palmed my butt-cheeks and slammed down hard with his cock.

We changed positions, this time with me on my back. Mr. Smith looped my legs back so that my feet were pressing into the sofa by my ears. Then he really went to town, jamming me like some speed freak until I finally saw his face redden and his neck muscles get all stiff.

Then his cock started to spurt cum deep into my pussy, and I came again just from how intense it all felt. He was gasping and sweating like he had run a marathon by the time it was over.

I curled up in his arms afterward, but then things got confusing because Mrs. Smith pulled into the driveway and we had to

scramble like crazy to get dressed.

SWEET MELANIE

I walked into my office one day and found Melanie, a 19-year-old summer intern, sitting in my chair, frigging her sweet little pussy.

Melanie didn't react when I walked in, quietly closed the door and locked it. Her eyes were shut tightly. I walked around my desk and stood beside her. Her dress was up, her panties were down, and her right hand tapped an urgent Morse code message on her moist, pink pussy. She fondled her tender little breasts through her bra with her left hand. The cigar hung from the corner of her mouth.

My first thought was to haul out my boner, masturbate to orgasm, and immediately spew my goo. I never would have gotten as far in the company as I have, however, if I always followed my first inclinations.

I loudly cleared my throat. Melanie jumped to attention and looked at the door. Then she turned her head and saw me standing near enough to touch. Her jaw dropped, and the cigar tumbled from her lips. "Mr. Earl," she gasped.

"Let me help you with that," I said as I dropped to my knees in front of her. I picked up the cigar, took a puff, and placed it on the ashtray on my desk. Then I

caressed her legs and thighs and slid her panties off.

"Mr. Earl," she gasped again as I put my head between her legs. She shivered with raw delight the moment I pressed my lips against her dewy crease.

I squeezed her firm little ass-cheeks as I lapped her vibrant pussy. Melanie was right on the edge, and it didn't take much tongue work to bring her off. I sucked her engorged clitoris greedily and flicked my tongue across the sensitive underside. She gasped suddenly, stiffened, arched her back, and squealed as a series of powerful spasms convulsed through her.

"Now," I said, rising, "isn't that better than doing things all by yourself?"

"Yes, sir," she said, her voice so perky that the sound of it sent atwinge through my boner. Melanie put her hand on my bulge. I shuddered as my cock bucked against her palm.

I backed away, undid my pants, then slid them down with my shorts and leaned against my desk. Melanie pulled the chair toward me, tilted her head, and kissed the bulbous tip of my erection. I shivered with illicit passion as she licked and sucked my flexing cock-head.

I pressed the back of her head with my fingertips as I fed more of my cock into her mouth. Melanie moaned and groaned as I humped her face. I grabbed her ears and thrust into her mouth until my full balls

grazed her chin.

Before Melanie's mouth work got the better of me, I pulled my cock away. Melanie hopped up, pulled her dress over her head, and tossed it across the office. Then she removed her bra to free her pert little jigglers. My cock jerked from the root at the sight of her bite-sized morsels.

Melanie dropped to her knees and stripped me naked. Then I consumed her tender breasts while she pumped my stiff cock. A hot load of jizz churned insistently in my tight balls.

Melanie leaned over my desk. I stepped behind her and aimed my cock at her juicy pink crease. Melanie reached between her legs, grabbed my erection, and eased it into her snug pussy. I groaned with pleasure as I made my way into her.

"Ooooh, it's so big, Mr. Earl. It's so big and hard," she cooed. "Ooooh, it's gonna split me in two."

I panted and moaned as I rooted around inside her pulsating pussy. I reached around and pawed her dainty breasts. Melanie

quivered and sputtered as I squeezed her titties and tweaked the stiff nipples. She hunched her ass toward me, urging me to drive my cock inside her burning center. I released her titties, grabbed her hips, and plunged into her with everything I had.

She grunted, gasped, and giggled when her climax hit. Her pussy collapsed around my rock-hard cock like a sucking mouth. While her orgasmic pussy massaged my swollen cock, I noticed her puckered bunghole. My cock reared like a proud stallion when her asshole seemed to wink at me.

I withdrew from Melanie's still-spasming pussy and nudged my bloated, juice-slicked cockhead against her poop-chute. Melanie flinched, gasped, and growled as I poked her virgin nether hole. She tensed, then relaxed with a deep sigh. "Go ahead, Mr. Earl," she whispered. "Go ahead and stick that big old cock in my bottom."

Her sphincter muscle gradually relaxed, grant-

ing me full access to her backside. Melanie reached down and frigged herself maniacally as I bored out her bottom. My cock thickened and stretched as I came to realize that I was buried in this young intern's butt. The very fact that I had my hard-on all the way up sweet Melanie's ass was enough to make my boner jump.

It didn't take long for the raw friction between my hard-on and her snug asshole to get the better of me. Melanie stroked herself to climax ahead of me, and her butthole clenched and released my cock rhythmically when she came.

I plunged to the hilt in her asshole. My cock jerked, recoiled and spewed streams of sizzling semen into her bottom. I came so hard that I nearly passed out. When we disengaged, Melanie dropped into my chair and recovered the cigar. She lit it, resumed puffing, and lazily exhaled smoke at my waning cock.

After that, I made sure to fill Melanie's schedule with urgent assignments that kept her working closely with me for the rest of the summer.

DD has often referred to herself as a cocksucker extraordinaire. Not because she gets off on it, but because she is so good at it.

When asked how many she has sucked, she hesitates for a moment and asks, "how many grains of stars in the sky?" We have never counted, but we think it's more than one hundred. DD says she started counting some twenty years ago, but couldn't remember her

"I'm a night owl. I like to sing and play all night, and avoid the morning light if I can. It's a wild way of living and I'm into it. I like to experiment with sex and if my partners aren't into it, it's not hard to find someone who is. But I've never had to go looking for a new partner. The current one will always do. I see my body as my fountain of youth. It looks like a thirty year old's would if she was in shape.

"At 50, I now have so much free time now that I quit my regular job and have taken up sex as my new job. I don't work 9 to 5 anymore. I work whenever I want and have much more fun doing it. And one of the great things about my new job is that I can write my lingerie off as a business expense. Cool! So if you like what you see, and you like mature women

*My sister asked me how I felt about cow tipping.
I told her I could not remember the last time
I had a cow waiter.*

Me & my brother's friend

*SEEING MY BROTHER'S FRIEND IN BED
BROUGHT OUT THE BEAST IN HER*

The squeaking springs woke me from a sound sleep. Jeff, my brother's teammate from his fantasy football team, was sleeping over that night, staying in the guest room.

Looking to see what was going on, I saw the blanket and sheet tangled around Jeff's ankles. He wore only boxer shorts. His prick stood straight out through the opening.

I couldn't stand it. This was the third time my brother's friend had exposed himself. I was 18 at the time and very curious about sex (I was still a virgin). As a matter of fact, Jeff's prick was the first one I'd ever seen. I was fascinated by it.

That night Jeff had his hand on it and was slowly stroking the pink column of flesh. I couldn't believe my eyes. My brother's friend was jerking off while I watched. My pussy had a strange tingle and my own hand was drawn to my wet slit. I had to touch it.

Very cautiously, I moved closer to Jeff's bed.

I knelt beside his bed and my mouth was so close to his tempting pole. Oh, how I wanted to taste it. My tongue had just touched the tip when there was a loud noise...

I was ever so careful not to awaken him. I wanted a closer look. His eyes were closed, but his hand was busy pumping his meat. I knelt beside his bed and my mouth was so close to his tempting pole. Oh, how I wanted to taste it.

My tongue had just touched the tip when there was a loud noise outside the house. Jeff didn't wake up, but he did moan and turned away from me. He wound up on his stomach, his pink cock under his body. My heart was beating wildly.

I tiptoed back to bed and fingered myself to a couple of so-so or-

gasms. I didn't want fingers in my pussy. I wanted dick. Jeff's dick! I was determined to have it, and soon.

Jeff never suspected a thing, I guess. The very next night, I put my plan into action. I made sure I was in bed before he was. I was wearing a nightie that was absolutely shameful. I had been saving it for a night like this.

My nipples were already hard. I apologized, but Jeff didn't answer. He was too busy staring at my breasts and pussy. I smiled to myself.

I wanted to excite my brother's friend, but it had to appear like an accident. As usual, we didn't speak more than three words as we passed each other in the hallway, him in just his boxers, on his way to the bathroom. I could actually see his cock pressed against the inside of his shorts.

A few minutes later I could hear the sound of his pee splashing in the toilet. "Good night,

Mona," he said on his way back to the guest room. As he walked by my open bedroom door, I reached for the lamp on my night table to turn out the light. As I did, my blanket fell away, giving him a perfect view of my scantily clad body.

My nipples were already hard. I apologized, but Jeff didn't answer. He was too busy staring at my breasts and pussy. I smiled to myself. Step

One of my plan to make my brother's friend have a wet dream was complete.

For Step Two, I got up and stood close to him. My fuzz-covered pussy patch was practically in his face. I knew he could smell my excitement. I could feel his eyes burning a hole through my scanty panties as I wiggled my sweet little ass into the bathroom. I was tempted to leave the door open, but didn't want to awaken my brother, or my mom and dad.

I didn't pee, but I did sit on the toilet and work my pussy up to a fever pitch with my fingers before returning to my room. Jeff was lying on his back and he was covered up, but there was a mound in the middle of the blanket. It could only be one thing—his mouthwatering dick!

I pretended not to notice. As a final inspiration, I leaned over to smooth out my sheet, with my ass in his face. I could actually feel his hot breath on my ass. A shiver ran up and down my spine. I wanted my brother's friend's cock, and wanted it badly.

I turned out the light, got into bed and lay there very quietly. As my eyes adjusted to the dark, I could hear that Jeff was having trouble falling asleep. I just knew he was stroking my prize.

I began to worry that I had gotten Jeff too excited. Finally I heard him start to snore contentedly. I got up very quietly and tiptoed to his room. Inch by inch I pulled the blanket from his body. My breath caught in my throat when his penis popped into view. His shorts were almost down to his knees. He must have pulled them down while he played with himself under the covers during my show. I was very pleased.

The object of my lust was only about half-hard. It looked so tempting. I gently took it in my hand and was surprised at how hot it felt. Jeff was sleeping soundly, I thought, but his prick was getting active.

I was thrilled as it swelled up big in my hand.

BLAIR-NTS-10

My fingers worked wildly over my swollen clitoris. My eyes were closed. I was pumping my hips wildly against my hand. I must have been pretty loud, because the next thing I knew, I opened my eyes and Jeff was standing beside my bed...

I proceeded very slowly. I didn't want to wake him up and I also wanted it to last. I wanted to give my brother's friend a wet dream he'd never forget.

The first thing I did was to take off my nightie. I wanted to feel my stiff nipples and wet pussy against his flesh. Suddenly he moved one of his hands. I held my breath and watched as he took hold of his prick and began stroking it.

Still he slept—or appeared to. I leaned over and began kissing and licking the swollen tip of his penis as it popped through his fist with every down stroke. It tasted salty. It was a taste I'll never forget. I'll never get enough of that flavor.

Before I could come even once, Jeff moaned and pushed his hips up at my face. His prick almost gagged me as it slid all the way down my throat. His warm, sweet cream gushed into my mouth. Every time his cock throbbed, another spurt splashed into my ready mouth.

After the last gush, I pulled my mouth away. My fingers were going wild between my legs. Jeff's prick was soft again and sticky with his cum. He rolled over and scared the hell out of me. I jumped up and quickly returned to bed.

My pussy screamed for release. My fingers worked wildly over my swollen clitoris. My eyes were closed. I was pumping my hips wildly against my hand. I must have been pretty loud, because the next thing I knew, I opened my eyes and Jeff was standing beside my bed—his cock in his hand.

He was jerking off with me. I was too excited to care anymore. I threw back the covers and let him see me fingering my twitching snatch. Having my brother's friend watch me masturbate was enough to make me come like crazy.

Once I started, I thought I'd never stop. I came again and again while Jeff stood over me, beating his meat and whispering, "Yeah, Mona, do it! Faster! Yeah, yeah!"

His face was hovering over my dripping box. He was so close, I couldn't resist. I pulled his

face down and pressed my pussy to his lips. "Eat me, lick me!" I was totally enthralled!

It was his first time, but he caught on quickly. He used his hot tongue like a skilled craftsman, gently flicking it against my clitoris and alternating with slow laps. The skin on my entire body felt like one sensitive nerve. I thought I'd come all night until I felt his hot load splash on my hard nipples.

I bit my lip to keep from screaming and waking everyone. I locked my knees around the poor boy's head and rubbed my throbbing cunt at blinding speed against it. I couldn't stop coming. Every time I felt a shot of sperm hit my breasts, I'd come again. I thought it would last forever. I wanted it to, but finally we both collapsed. When he finally left my bedroom, I quickly fell asleep.

I am really looking forward to the next time my brother's friend sleeps over...

Just a humble farm girl, Berta just loves to suck and fuck. Her oral skills are not surpassed and the thought of stuffing your cock into her ass will probably make you cum before your cock even cums close. She says her sex life has taken on a new life since she moved back to the country. "I always had a hard body, but the years are not nice to us women. My problem was I like younger men and

so I need to offer up my butt in order to gain an advantage over many younger ladies. Men don't see much else when they're confronted by a firm booty and nice tight asshole."

Sarah is totally aggressive in the bedroom. There isn't a position she hasn't yet tried or is willing to try. "I strive to be the best at whatever I do. And if that includes sucking and fucking, then that, too." We hear you, and appreciate the talents you bring to the boudoir. It's rare to find a woman who is willing to still give it her all after years of cocks fucking and pussy eating. She's a MILF, a cougar, a GILF and a real tiger.

Sarah

She finds men to be powerless to her charms and her actions. "Sometimes, I think I scare men in the bedroom. They're usually expecting a woman to lie there, but I'm very aggressive. I'll attack that hard cock like a tiger goes after a slab of meat."
